## Nomination Form

**The Blair County Chamber of Commerce Farm-City Committee is pleased to announce that nominations are now being accepted for the ACE Award.**

The ACE Award is the acronym derived from Blair County Agricultural Community Excellence Award and was started as a continuation and expansion of the Chamber's successful Farm Family of the Year Award which was initiated in 1970.

In addition to farm families, the ACE Award also allows for nominations of agriculturally oriented individuals, agribusinesses and non-profit organizations. Activity and participation in Blair County community affairs and the promotion of Blair County agriculture will be the criteria used for selection. Nominations may be submitted by individuals, organizations, businesses, farm families and/or through self-nomination if desired.

The recipient of the ACE Award will be presented with the award at the Farm-City Dinner to be held November 13, 2024.

This award is an effort of the Chamber to recognize all facets which make agriculture a primary industry of Blair County. From individuals to organizations, from farm families to agribusinesses, all components of this industry deserve the opportunity for recognition.
